Letter of Invitation

On behalf of the European Association of Nuclear Medicine, it is my pleasure to invite you to the 27th Annual EANM Congress in Gothenburg, Sweden in October 2014.

Nuclear medicine is developing at a rapid pace, establishing a solid foundation in clinical as well as experimental medicine. The EANM meeting promises to be a highlight for the multidisciplinary community that forms the heart and soul of nuclear medicine. There will be plenary lectures devoted to nuclear medicine therapy, hybrid imaging and molecular life sciences. Distinguished speakers will address the state of the art and new developments in clinical and allied sciences, covering a broad range of topics. The multidisciplinary symposia organised throughout the meeting will truly reflect EANM's mission to interact with other European and global organisations, with the goal of providing the best possible care for our patients. Continuous education has always been an important feature, and this will be fostered to the benefit of our entire membership. As always, the latest achievements in clinical nuclear medicine, science and technology will be communicated during featured, oral and poster sessions. At the end of the meeting, the highlights will be summarised by two lecturers, Prof. Marion de Jong from Rotterdam, Netherlands and Prof. Koen van Laere from Leuven, Belgium.

Personally I currently have the good fortune to chair the EANM Scientific Committee, which is aiming at achieving the highest quality through close collaboration; to this end, we have two tracks in the main programme, clustering multicommittee involvement. Of the many initiatives that you will be able to attend during the meeting, I would especially like to mention the 5th International Symposium on Targeted Radionuclide-therapy and Dosimetry (ISTARD), which will be held in conjunction with EANM 2014. Furthermore, for the first time there will be a Biology Track, an initiative of the EANM Committees for Translational Molecular Imaging, Radiopharmacy and Drug Development. The activities in this track are mainly scheduled for Tuesday 21 and Wednesday 22 October and promise to promote high-quality research through interaction between basic and translational clinical scientists.

Besides the scientific and educational activities that you will be able to enjoy during your attendance at EANM 2014, the Local Organising Committee, chaired by Prof. Peter Gjertsson, chair of Nuclear Medicine at Sahlgrenska University Hospital in Gothenburg and President of the Swedish Society of Nuclear Medicine, will do its best to make you feel welcome in the city of Gothenburg.

I sincerely hope that you will all find your way to Gothenburg in October 2014 to actively participate in our annual EANM congress, to meet and interact with friends and colleagues from all over the world and to enjoy Gothenburg's hospitality.

Plenary Sessions

**Sunday, October 19, 2014 – Plenary 1**
Therapeutic Nuclear Medicine (incl. Marie Curie Lecture)
- **Marie Curie Lecture**: Treatment of Differentiated Thyroid Cancer – State of the Art and New Developments (*M.J. Schlumberger, Paris*)
- Radionuclide Treatment of Metastatic Prostate Cancer (*J. O’Sullivan, Belfast*)
- Perspectives in the Treatment of Neuroendocrine Tumours (*L. Bodei, Milan*)

**Monday, October 20, 2014 – Plenary 2**
The Hybrid Age
- SPECT/CT in Bone & Joint Imaging (*R. Nizard, Paris*)
- PET/MRI in Neurology and Psychiatry (*H. Barthel, Leipzig*)
- Multimodality Imaging in Cardiology (*P. Slomka, Los Angeles*)

**Tuesday, October 21, 2014 – Plenary 3**
Hallmarks of Cancer
- Introduction to the Hallmarks, Relation to Imaging Targets and Focus on Hypoxia (*M. Rudin, Zurich*)
- Targeting Invasion and Angiogenesis in Cancer (*P. Carmeliet, Leuven*)
- Glucose Metabolism as a Hallmark of Cancer (*E. Gottlieb, Glasgow*)

**Wednesday, October 22, 2014 – Plenary 4**
Highlights Lecture
- M. de Jong (*Rotterdam*)
- K. Van Laere (*Leuven*)

Joint Symposia

The preliminary list of topics is as follows:
- EANM/ELI: PET in Lymphoma: More than 10 Years’ Experience
- EANM/EAU: Prostate Cancer
- EANM/ESC: Heart Failure
- EANM/EORTC: Implementing Response Evaluation with PET-CT
- EANM/EARL/IAEA: GMP/QA/QC
- EANM/ETA: Differentiated Thyroid Cancer
- EANM/ESMO: Molecular Imaging for Therapy Response Monitoring
- EANM/MDS: Imaging Motor and Non-Motor Symptoms in Parkinson’s Disease
- EANM/ESMI: Imaging Macrophages
- EANM/ESC: Risk Assessment in Coronary Artery Disease
- EANM/ESTRO: Head and Neck Cancer: Molecular PET Imaging in Adaptive Radiotherapy
- EANM/SNMMI: Translation of New Radiopharmaceuticals

Titles are subject to change. Please visit eanm14.eanm.org for updated information.
Continuing Medical Education

Continuing Medical Education will span all 4 days of the EANM Congress 2014. As in the past years, EANM will seek accreditation from the European Accreditation Council for Continuing Medical Education (EACCME). A request for accreditation has already been filed – number of points pending.

Through an agreement between the European Union of Medical Specialists and the American Medical Association, physicians may convert EACCME credits to an equivalent number of AMA PRA Category 1 Credits™. Live educational activities, occurring outside of Canada, recognized by the UEMS-EACCME for ECMEC credits are deemed to be Accredited Group Learning Activities (Section 1) as defined by the Maintenance of Certification Program of The Royal College of Physicians and Surgeons of Canada.

Pre-Congress Symposia

EANM’14 will again offer various pre-congress symposia. Topics and speakers are currently being finalised. For further details please visit eanm14.eanm.org.

EANM Research Ltd (EARL)

Take the opportunity and meet the EANM Research Ltd (EARL) at EANM’14 in Gothenburg. EARL is a 100% subsidiary of the EANM, which aims to enhance the quality of nuclear medicine practice for the benefit of public health.

EARL’s main activities are:

- EARL FDG-PET/CT Accreditation: enables comparable scanner performance across multiple sites through harmonisation of the acquisition and interpretation of PET/CT scans: results can be compared, exchanged and combined, which is essential in multicentre trials as well as in clinical practice. Accurate, reproducible and quantitative assessment is ensured through standardisation of methodology, including patient preparation, scan acquisition, image processing and analysis. As of November 2013 more than 85 PET/CT sites in 15 countries are participating in the accreditation programme.

- EARL Taskforce EU grants: competing for EU research grants, positioning nuclear medicine within the EU research agenda. The first great success of this taskforce is the FP7-HEALTH-2013 funded project “Personalized diagnosis and treatment of hyperinsulinaemic hypoglycaemia caused by beta-cell pathology” (BetaCure), which received a 6 million Euros grant from the European Commission. EARL is a project partner and responsible for quality control, training and dissemination.

During EANM’14 in Gothenburg:

- You can meet EARL at the EARL booth in the industry exhibition
- There will be a session including the following topics:
  - The Success Story of EARL – History, Projects and Aims (K. Tatsch, Karlsruhe)
  - How to reach Quality Standards for Successful EU Grant Applications (M. Gotthardt, Nijmegen)
  - EARL’s Dedication to Quality – The EARL FDG-PET/CT Accreditation Programme & Guideline Developments: Results and Future Perspectives (R. Boellaard, Amsterdam)

We invite all participants to get acquainted with the activities of EARL.

Interactive Sessions: Pitfalls & Artefacts & Physiology

Each morning renowned specialists will present interesting cases and will guide you interactively from patients’ history through diagnosis to treatment options.

For further details please visit eanm14.eanm.org.

Young EANM Daily Forum

The EANM prioritises the growing “Young EANM” community as an investment in the future of the nuclear medicine speciality. Similar to previous years, dedicated activities which were successful during the past congresses will be in place to provide continuous support to young professionals in our field.

The Young EANM Daily Forum will again be one of the important features of the EANM’14 congress in Gothenburg to share experiences, exchange ideas and guide career development under the mentoring of senior faculty members.

The Daily Forum consists of a series of lunch-time sessions open to all congress participants who are at the beginning of their career from all fields including nuclear medicine physics and radiochemistry. In addition, senior experts who would like to observe the discussions and meet the young talent in Nuclear Medicine are encouraged to attend in order to assist and guide future generations.

Furthermore, the forum is a great opportunity for junior professionals to get to know each other, senior colleagues and the EANM.

We are looking forward to welcoming you at the Young EANM Daily Forum at EANM’14 Gothenburg. For updated information please visit eanm14.eanm.org.
5th International Symposium on TArgeted Radionuclide-therapy and Dosimetry (ISTARD)

during the 27th Annual Congress of the European Association of Nuclear Medicine in Gothenburg, Sweden, October 18 – 22, 2014

The format of the meeting has evolved from a series of interesting and important Radiopharmaceutical and Dosimetry symposia held approximately every 5 years since 1970, with distribution of published proceedings. This series was continued at the EANM congresses 2004 (Helsinki), 2006 (Athens) and the SNM congress 2009 (Toronto). The last meeting was held in conjunction with the EANM congress in Milan, Italy in 2012 (“4th International Symposium on TArgeted Radionuclide-therapy and Dosimetry” (ISTARD)).

As a separate track within the EANM congress, this symposium will aim to bring together all disciplines concerned with Radiopharmaceutical Dosimetry and Radionuclide Therapy including Physics and Radiobiology, to stimulate the interdisciplinary scientific discussion.

As a prelude to ISTARD a locally initiated pre-congress symposium is organized on targeted alpha-particle therapy, focusing on the clinical use, radiochemistry, dosimetry and physics of Astatine-211. Within the EANM congress a special Biology Track is organized, mostly parallel to ISTARD, devoted to basic and translational research.

The EANM Dosimetry and Radionuclide Therapy Committees will coordinate the scientific programme for the meeting jointly. All organizational matters will be handled by the EANM Executive Office.

All announcements and other mailings for this meeting will be done electronically (no paper mail will be sent). If we have overlooked anyone that should be included on this mailing list, please let us know and we will gladly include him or her. You can also of course forward this announcement to other individuals, mailing lists, etc.

A call for abstracts (also electronic) will go out in the next months, with authors notified of the outcome in June 2014. The proceedings of the ISTARD symposium will most probably be published as extended peer-reviewed abstracts in a supplement to the EJNMMI Physics journal.

We look forward to welcoming you in Gothenburg in October 2014!

First Biology Track on Basic and Translational Research in Molecular Imaging and Therapy

during the 27th Annual Congress of the European Association of Nuclear Medicine in Gothenburg, Sweden, October 18 – 22, 2014

As a separate track within the EANM congress, we aim to bring together all disciplines concerned with basic and translational research in molecular imaging and therapy, stimulating the interdisciplinary scientific discussion and educating the clinic for future developments in the field.

The format of the track consists of a series of plenary lectures, a CME session, a symposium and scientific sessions with a special focus on Basic and Translational Research. The track will run on Tuesday, October 21 and Wednesday, October 22 during the EANM congress. A special EANM registration fee named “Biology Track” will be offered/apply for participants interested in attending this dedicated track.

The EANM Translational Molecular Imaging, Drug Development and Radiopharmacy Committees will coordinate the scientific programme for the meeting jointly. All organizational matters will be handled by the EANM Executive Office.

A call for abstracts will go out in the next months, with authors notified of the outcome in June 2014. Please indicate your interest for the Biology Track during abstract submission.

We look forward to welcoming you at the Biology Track in Gothenburg in October 2014!

Invitation from the EANM
Technologist Committee

Dear Friends and Colleagues,

We would like to invite you to attend the EANM Congress 2014 in Gothenburg, Sweden.

Nuclear Medicine success in diagnosis and therapy is strictly related to research in radiopharmaceuticals and their clinical applications to different pathologies and imaging methods.

The success of Nuclear Medicine as a clinical and therapeutic discipline is firmly aligned to progress in radiochemistry and clinical applications of tracers to a wide range of pathologies and imaging techniques.

Technologists play a key role dealing with both these aspects in Nuclear Medicine daily practice, and the Technologist sessions at the EANM congress offer related topics and high level lectures meant to encourage professionals to be fully involved in raising Nuclear Medicine quality standards.

The EANM congress is a unique occasion for Technologists to meet different realities and confront themselves with all aspects of Nuclear Medicine. In addition to dedicated educational sessions we also offer interactive sessions and the Technologist interest meeting, which allows the committee to update the members on the work of the committee and facilitates full discussion on scientific and professional aspects of our profession.

As is usual, in association with the main scientific programme, a high standard Technologist programme will be offered, including:

- 3 Mini Courses
- 6 Continuing Technologist Education (CTE) sessions
- 1 Technologist Interest Meeting
- 3 Oral presentation sessions

Poster sessions will also be organised.

We look forward to welcoming you to the EANM Congress 2014 in Gothenburg.

Sincerely,

Giorgio Testanera
Chair, EANM Technologist Committee

Industry Exhibition

**Opening Hours:**
- Sunday, October 19, 2014: 09:00 – 17:00
- Monday, October 20, 2014: 09:00 – 17:00
- Tuesday, October 21, 2014: 09:00 – 17:00

The Industry Exhibition will be located in Hall B on the first floor. It will give you a wide and almost complete overview of the latest achievements concerning pharmaceuticals and radiopharmaceuticals, as well as state-of-the-art technical equipment. Booksellers and publishers will display the most recent publications in the field of Nuclear Medicine and related sciences.

Awards

The following prizes/awards and certificates will be bestowed during the awards ceremony:

- EANM Marie Curie Award 2014
- EANM [Eckert & Ziegler](http://eckert-ziegler.com) Abstract Award
- EANM Young Investigators Award 2014
- EANM Honorary Membership 2014
- European Journal of Nuclear Medicine and Molecular Imaging (EJNMMI) Prizes
  - Best Clinical Paper
  - Best Basic Science Paper
  - Most Cited Paper
- Technologist Awards
  - 3 Best Oral Presentations
  - 3 Best Poster Presentations
- FEBNM Fellowship Exam 2014
- AIPES Press and Media Award 2014

General Information (A – Z)

**Airport & Arrival Information**

There are two international airports serving the Gothenburg region:

**Göteborg Landvetter Airport**, western Sweden’s international airport, is located about 20 km from Gothenburg.

The Flygbuss airport coach connects the airport with the city centre in about 30 minutes. In the centre, there are bus stops at Korsvägen, Kungsportsplatsen, Nils’s Ericson terminal and Park Aveny. At the airport, the buses are located directly outside the check-in hall.

Tickets can be purchased online (http://www.flygbussarna.se/en/landvetter), at the airport kiosk in the domestic arrival and departure hall (opening hours Monday – Friday 10:00 – 18:00), at the ticket machine at the bus stop or at the exit of the airport, as well as on board with credit/debit cards and resellers.

One-way adult full price - SEK 99 (approx. EUR 12) / Online Purchase saves SEK 10.

Return ticket adult full price - SEK 189 (approx. EUR 22) / Online Purchase saves SEK 12.

There is a taxi station at the airport. Ask for a fixed price. The taxi fare for a ride into the city centre is approx. SEK 400 one-way (around EUR 50).

**Gothenburg City Airport**, one of Sweden’s fastest growing airports, is located 15 km from Gothenburg.

The Flygbuss coaches Gothenburg - Gothenburg City Airport depart directly outside the airport terminal and stop at the Nils’s Ericson terminal in central Gothenburg. The trip takes about 25 minutes.

Tickets can be purchased online (http://www.flygbussarna.se/en/gothenburg-city), at the airport kiosks in the domestic arrival and departure hall, at ticket machines at the bus stop and/or at the gate, or at one of the resellers / on board with a credit/debit card.

One-way adult full price - SEK 79 (approx. EUR 9) / Online Purchase saves SEK 10.

Return ticket adult full price - SEK 149 (approx. EUR 17) / Online Purchase saves SEK 20.

There is a taxi station at the airport. Taxis and limousine service can also be booked via the airport information desk.

Approximate fixed prices by taxi from Gothenburg City Airport to the Central Station: SEK 320-355 (around EUR 40-45).

For further information on the public transportation system, please visit http://www.vasttrafik.se/#!/en/.

**Banks, Credit Cards & ATMs**

Banks are usually open from 08.30 – 16.30 (Monday – Friday) and closed during the weekends. Credit cards are accepted at many locations; however, you may find that small shops, kiosks, restaurants or coffee houses do not accept credit cards. In any case, ATM machines are plentiful and easy to use. Travel cheques can be cashed in most banks and exchange offices.

**Call for Abstracts**

The deadline for abstract submission is April 28, 2014. For all related information please follow the guidelines provided on the congress website eanm14.eanm.org. Abstracts should not exceed 400 words (excluding title and authors) and should be well structured stating the aim, materials and methods, results and conclusion of your chosen topic. Abstracts should be written in Microsoft Word and may not include tables, graphics or pictures. You can edit, delete or simply reload your abstract(s) as often as you like online. After expiry of the deadline abstracts can only be withdrawn in writing. Guidelines for oral as well as poster presentations will be available on eanm14.eanm.org at the beginning of June 2014. Authors will be notified about the acceptance of abstracts by email on June 16, 2014.
Certificate of Attendance
To obtain your certificate of attendance please visit www.eanm.org, log in to the vEANM Area with your personal account information and refer to the section vConfirmation. The certificate will be available within 24 hours of scanning your badge.

Churches, Synagogues, Mosques
The Church of Sweden is Lutheran but many other religions are represented in Sweden as well. Churches in major cities usually have services in English once a week. Please contact your hotel concierge for current times of services.

City of Gothenburg
Gothenburg was founded in 1621 by Gustav Adolf II and has since undergone an exciting journey from being a shipping and industrial city to becoming a creative hub for innovation.

In 1731, the Swedish East India Company began trading with the east. In the 19th century, Gothenburg became industrialised, largely due to the arrival of Scottish and English businessmen. The modern Gothenburg with its wide boulevards, parks and stone buildings was built towards the end of the 19th century. The shipyards grew large in the 20th century, but declined at the end of the 1970s and were transformed into what are now residential areas and offices for people to enjoy the harbour atmosphere. Nowadays Gothenburg is Sweden’s most important industrial and commercial city.

The atmosphere in the city is one of easy-going genuineness. A strong coffee culture reveals itself in the many cafés, which often serve their own roasted coffee. Gothenburg was appointed the Culinary Capital of Sweden 2012 and thus strengthened its reputation as a gastronomic hotspot in Northern Europe.

Climate
Thanks to the Gulf Stream, Gothenburg has a much milder climate than most other regions in the north.

In October the average daytime high temperature can be expected to be around 11°C (52°F). Nevertheless it is advisable to pack warmer clothing, especially for the evenings when the temperature can drop as low as 5°C (45°F). Despite the relatively mild weather and a pleasant climate during the autumn months, this is the time of the year when rainfall is at its highest levels, so an umbrella and wet weather gear are essential.

CME Credits & Certificates
To acquire CME session credits, attendees are required to scan their congress badge upon entrance into each CME session and to complete the evaluation for each CME session attended.

To obtain your CME certificate(s) please visit www.eanm.org, log in to the vEANM Area with your personal account information and refer to the section vConfirmation. The certificate(s) will be available within 24 hours of scanning your badge.

Congress Bag
All registered delegates (excluding pre-symposium-only attendees, accompanying persons and exhibitors) are entitled to receive a congress bag. Please pick up your congress bag at the bag distribution area by presenting your congress name badge.

Congress Language
The congress language is English. No simultaneous translation will be provided.
Congress Office & Registration Desk

The congress office and registration desk will be open during the following days and times:

- **Saturday, October 18, 2014:** 07:30 – 19:00*
- **Sunday, October 19, 2014:** 07:30 – 18:00
- **Monday, October 20, 2014:** 07:30 – 18:00
- **Tuesday, October 21, 2014:** 07:30 – 18:00
- **Wednesday, October 22, 2014:** 07:30 – 12:00

*PLEASE NOTE: As of 19:00 only persons holding a valid congress name badge will be permitted to enter the congress venue. Anyone who has not picked up his/her badge from the registration desk until 19:00, or has not yet registered, or has lost/forgotten his/her badge can no longer be granted entry into the congress venue due to security reasons. Registration will re-open on Sunday morning at 07:30.

Congress Social Programme

All registered delegates and accompanying persons are cordially invited to:

- **OPENING CEREMONY & WELCOME RECEPTION**
  - Saturday, October 18, 2014, 19:00 – 22:30
  - Hall C/D/E, Svenska Mässan – The Swedish Exhibition & Congress Centre

- **CLOSING CEREMONY & FAREWELL COCKTAIL**
  - Wednesday, October 22, 2014, 13:00 – 14:30
  - Hall C/D/E, Svenska Mässan – The Swedish Exhibition & Congress Centre

Please note that only delegates wearing a valid congress name badge will be granted access.

Congress Venue

Svenska Mässan – The Swedish Exhibition & Congress Centre
Mässans Gata 20
41251 Gothenburg, Sweden
URL: www.svenskamassan.se

The Swedish Exhibition & Congress Centre complex includes one of the biggest hotels in Scandinavia, the Gothia Towers, as well as several popular restaurants. It is also home to the largest office hotel in Scandinavia, the World Trade Center. The total floor area is 145,000 sqm, of which 41,000 serve as exhibition and conference space. The complex’s unique location in the city makes it easy and convenient to visit. Just about everything is within walking distance: hotels, restaurants, pubs, shopping, entertainment, theatres and other cultural attractions.

Currency

The monetary unit is the Swedish Krona (SEK). A number of exchange offices are located in central Gothenburg and at the airports. When you are exchanging your currency, you will need your passport or official ID card. If you do not have it with you, the bank may refuse to exchange your currency. Travellers’ cheques are generally accepted as payment throughout Sweden. Change will be given in Swedish Krona. Please note that a nominal fee is charged when using cheques as payment.

The Members’ Assembly will be held on Tuesday, October 21, 2014 from 13:00 – 14:30. Lunch bags will be offered.

Please note: Only members in good standing* of the European Association of Nuclear Medicine are eligible to attend the Members’ Assembly.

(*Members in good standing are members who have paid their membership dues for the year 2014)

Electricity
The electrical current in Sweden is 220 V/50 Hz. Round European-style two-pin plugs are used.

Key Dates
April 28, 2014: Deadline for submission of abstracts
June 16, 2014: Notification of acceptance of abstracts
June 23, 2014: Deadline early registration
October 13, 2014: Deadline advanced registration
(after this date on-site registration only)
October 18, 2014: Opening ceremony and welcome reception
October 22, 2014: Closing ceremony and farewell cocktail

Museums
Art, design, nature and the life at sea are just some of the topics of comprehensive collections and current exhibitions in Gothenburg. The Röhsska Museum for design, fashion and decorative arts houses both antique and modern design. The East India Company house from 1750 is the home of the City Museum of Gothenburg, where one can learn more about the city. The Gothenburg Museum of Art has a leading collection of Nordic art from the 19th century, featuring work from famous artists like Edvard Munch and Carl Larsson.

For prices and opening hours please refer to the hotel reception or any tourist information.

Public Bicycle Sharing System
You can rent a bike through the popular bicycle loan system Styr & Ställ, available at 50 different stations throughout the city centre. Open 7 days a week, 24 hours a day, Styr & Ställ is a self-service bike rental system. All stations are equipped for season tickets and 3-day ticket users. A 3-day ticket costs 10 SEK. The first 30 minutes of use are for free on every bike.

For further information on the Styr & Ställ, please visit http://en.goteborgbikes.se/.

Public Transportation Ticket
All congress participants who book a hotel through the online registration platform of EANM which is more than a five-minute walk away from the congress venue will receive a complimentary public transportation ticket upon check-in at the hotel. Please note that this ticket is not valid for airport transfers!

For an overview of hotels and their respective distance to the congress venue, please refer to the page ‘List of Hotels.’

Restaurants & Nightlife
Around 45 restaurants collaborate under the name „Taste of Gothenburg“. Among the Taste of Gothenburg restaurants you can find everything from Michelin-starred gourmet to street food, via trendy eateries, classic establishments and family restaurants. The coastal location provides easy access to top quality fish and shellfish and there are no less than five restaurants with Guide Michelin stars: 28+, Fond, Kock & Vin, Thornströms Kök and Sjömagasinet.

Good restaurant districts include the main boulevard Avenyn (Kungsportsavenyn) and the nearby Södra vägen with its intensive nightlife as well as Magasinsgatan, Kungsgatan and the Linné district with its mix of bars, modern pubs and local restaurants with international cuisine.

Shopping
The city offers a lot of shops with an exciting mixture of modern warehouses and independent shops, pedestrian areas, galleries and arcades - all within a five-minute walking distance. The charming area inside the moat (Vallgraven) has Gothenburg’s largest selection of stores.

Kungsportsavenyn, locally known as Avenyn, is Gothenburg’s main boulevard for shopping and entertainment. Along this boulevard and in the adjacent blocks exclusive fashion boutiques and flagship stores can be found. Sweden’s leading shopping centre, Nordstan, has 180 specialist shops and stores under one roof.

Picturesque Haga is the oldest district in Gothenburg, with lots of small shops selling curiosa, designer and vintage goods.

Most shops are usually open from 10:00 – 18:00 on weekdays and until 16:00 on Saturdays. Most big stores in Gothenburg are open on Sundays as well.

Taxes & Tipping
VAT is always included in the price presented to customers/guests in shops, hotels, restaurants etc. A service charge is automatically included in most Swedish hotel and restaurant bills. Tipping is not mandatory, but a small gratuity (5-10%) is expected for evening meals if good service is received. Porters and cloakroom attendants often charge fixed fees.

Taxis
Taxi companies in Gothenburg have fixed prices but they can vary depending on the day and time. For this reason, it is recommended that you confirm the taxi fare before setting off. Credit cards are usually accepted.

The major taxi companies are:
Taxi Göteborg (+46 31-65 00 00), Taxi Kurir (+46 31-27 27 27) and Mini Taxi (+46 31-14 01 40).

You can either call or book online.

Time Zone
Gothenburg is located in the Central European Time Zone (CET), i.e. one hour ahead of Greenwich Mean Time (GMT+1 hour).

Visas
All visitors entering Gothenburg must possess valid passports. For citizens from the European Union Member countries a valid identity card is sufficient.

PLEASE CHECK THE CURRENT VISA REQUIREMENTS WITH YOUR LOCAL SWEDISH CONSULATE/EMBASSY BEFORE YOUR DEPARTURE TO GOTHENBURG!

Terms of Cancellation
All cancellations must be notified in writing to dm&c. In the event of cancellation before June 23, 2014 we will refund your registration fee minus a 50% charge for administrative proceedings. Please do not expect this kind of financial settlement until after the congress. After June 23, 2014 cancellations will not be possible; EANM offers an extensive cancellation insurance package for unforeseen circumstances, bookable through the online registration platform.

Accompanying Persons’ Programme
To meet your personal expectations and needs, please contact us for any tourist information (e.g. sightseeing tours, event calendar) or assistance via email: eanm14@dm-and-c.com
A dedicated Tours Information Desk will also be available at the EANM 2014 congress venue.
**Hotel Accommodation**

Rooms of various categories have been reserved in centrally located hotels with easy access to the public transportation system. Rooms will be assigned on a first come, first served basis. Early booking is highly recommended.

Room rates are quoted in SEK = Swedish Krona *(unless indicated otherwise)*, per room/per night including breakfast and VAT.

All quoted rates of this congress room allotment are offered with the following "Best Price Policy": If you should find any lower rates which are comparable in terms & conditions with the official EANM rates and offered directly by the hotel(s) own website(s), we will, of course, match and offer the same lower rates.

**Booking Procedure**

Hotel reservations can be made through our online registration platform on eanm14.eanm.org or through the vEANM Area.

**Cancellation Deadlines**

All cancellations must be notified in writing to dm&c (eanm14@dm-and-c.com).

In the event of a cancellation after the deadline, dm&c and the hotel will try to resell the room to avoid cancellation fees. If this is not possible, the following cancellation fees will be charged:

For the following hotels: *Clarion Post Hotel, Gothia Towers Hotel, Novotel Göteborg, Quality Hotel 11, Quality Hotel Panorama, Rica Hotel No. 25, Spar Hotel Gårda, Spar Hotel Majorna*:

In the event of a cancellation of your room booking / reduction of room nights:

- **until June 16, 2014**: no cancellation fee / free of charge
- **after June 16, 2014 or no-show**: 100% of the reserved stay

For all other hotels:

In the event of a cancellation of your room booking / reduction of room nights:

- **until June 16, 2014**: no cancellation fee / free of charge
- **after June 16, 2014 or no-show**:
  - 1 night’s charge if the room was booked for 1 night
  - 2 nights’ charge if the room was booked for 2 or more nights

All refunds will be processed after the congress.
Guarantee & Payment

- Guarantee (and Deposit Payment) via credit card
  Visa, MasterCard, Diners Club, American Express are accepted.
  By submitting the full credit card details (type of card, cardholder’s name, card number, expiry date, CVC code) during the online booking, the requested room is guaranteed on behalf of the cardholder (also for late arrival). The hotels might charge 1 night’s deposit on the given card 2 weeks prior to arrival (to check the validity of the card). All open payments must be arranged directly by the participant in the hotel upon departure.

- Pre-payment via bank transfer
  If you would like to pre-pay a booked room, please contact dm&c via email (eanm14@dm-and-c.com) before September 1, 2014 to receive an invoice. The money must be transferred to the account given on the hotel invoice. A full pre-payment is requested. JOIN AN OUTSTANDING NETWORK OF MORE THAN 75* EARL-ACCREDITED PET/CT CENTRES OF EXCELLENCE

* as of December 2013

GET THE FIRST YEAR OF EARL FDG-PET/CT ACCREDITATION FOR YOUR NEWLY INSTALLED PET/CT SYSTEM FOR FREE:
The EANM would like to emphasise the high importance of quality in nuclear medicine practice by offering special support: the EANM has committed itself to covering the costs for the first year of accreditation of PET/CT systems newly installed between 31.10.2013 and 31.10.2014 in Europe. This offer is subject to modifications and only applicable for new EARL accreditation customers. Take advantage of this extraordinary opportunity and redeem your voucher, covering the accreditation fee for a calendar year, within a maximum of 6 months after installation of your PET/CT system, by contacting EARL (earl@eanm.org).

WHAT HAPPENS IF YOUR PET/CT SYSTEM IS INSTALLED OUTSIDE OF THE TIMEFRAME 31.10.2013 TO 31.10.2014?
The cost of participation in the accreditation programme is € 1000.- per site, per PET/CT system and per calendar year, which includes the initial accreditation process as well as all ongoing procedures. Join the accreditation programme now by registering at earl@eanm.org.

Visit http://earl.eanm.org for more information or contact earl@eanm.org

an EANM initiative
Diagnostic imaging is expected to deliver definitive and timely answers to clinical questions. The ability to find these answers sooner, has made nuclear medicine a cornerstone of diagnostic imaging. Despite the high sensitivity of today’s SPECT/CT scanners, the modality’s limited specificity due to images that are only mechanically fused often leads to follow-up procedures that delay patient care and potentially increase costs.

To overcome these challenges, Siemens is once again pioneering hybrid imaging. Through a new alignment method that results in the total integration of SPECT and CT, a revolutionary new modality is emerging: xSPECT.

With Symbia Intevo™*, the world’s first xSPECT system, you have the potential to not only image disease, but also leverage the high image resolution to support you in seeing the unseen, enabling you to make more confident interpretation. Moreover, Symbia Intevo’s quantitative* capabilities are designed to provide valuable diagnostic information, which may enable you to monitor and adjust patient treatment earlier.

* Symbia Intevo, xSPECT, xSPECT Bone and xSPECT Quant are not commercially available in all countries. Due to regulatory reasons their future availability cannot be guaranteed. Please contact your local Siemens organization for further details.
